

Attendance analysis

Generated 16 Aug 2026, 09:33 | Live workspace data

2026

REPORT SCOPE

Reporting year

2026

Additional filters

All records in the selected year

Key indicators

Summary of the selected reporting scope.

Attendance rate

97.10%

Present days

707

Absent days

21

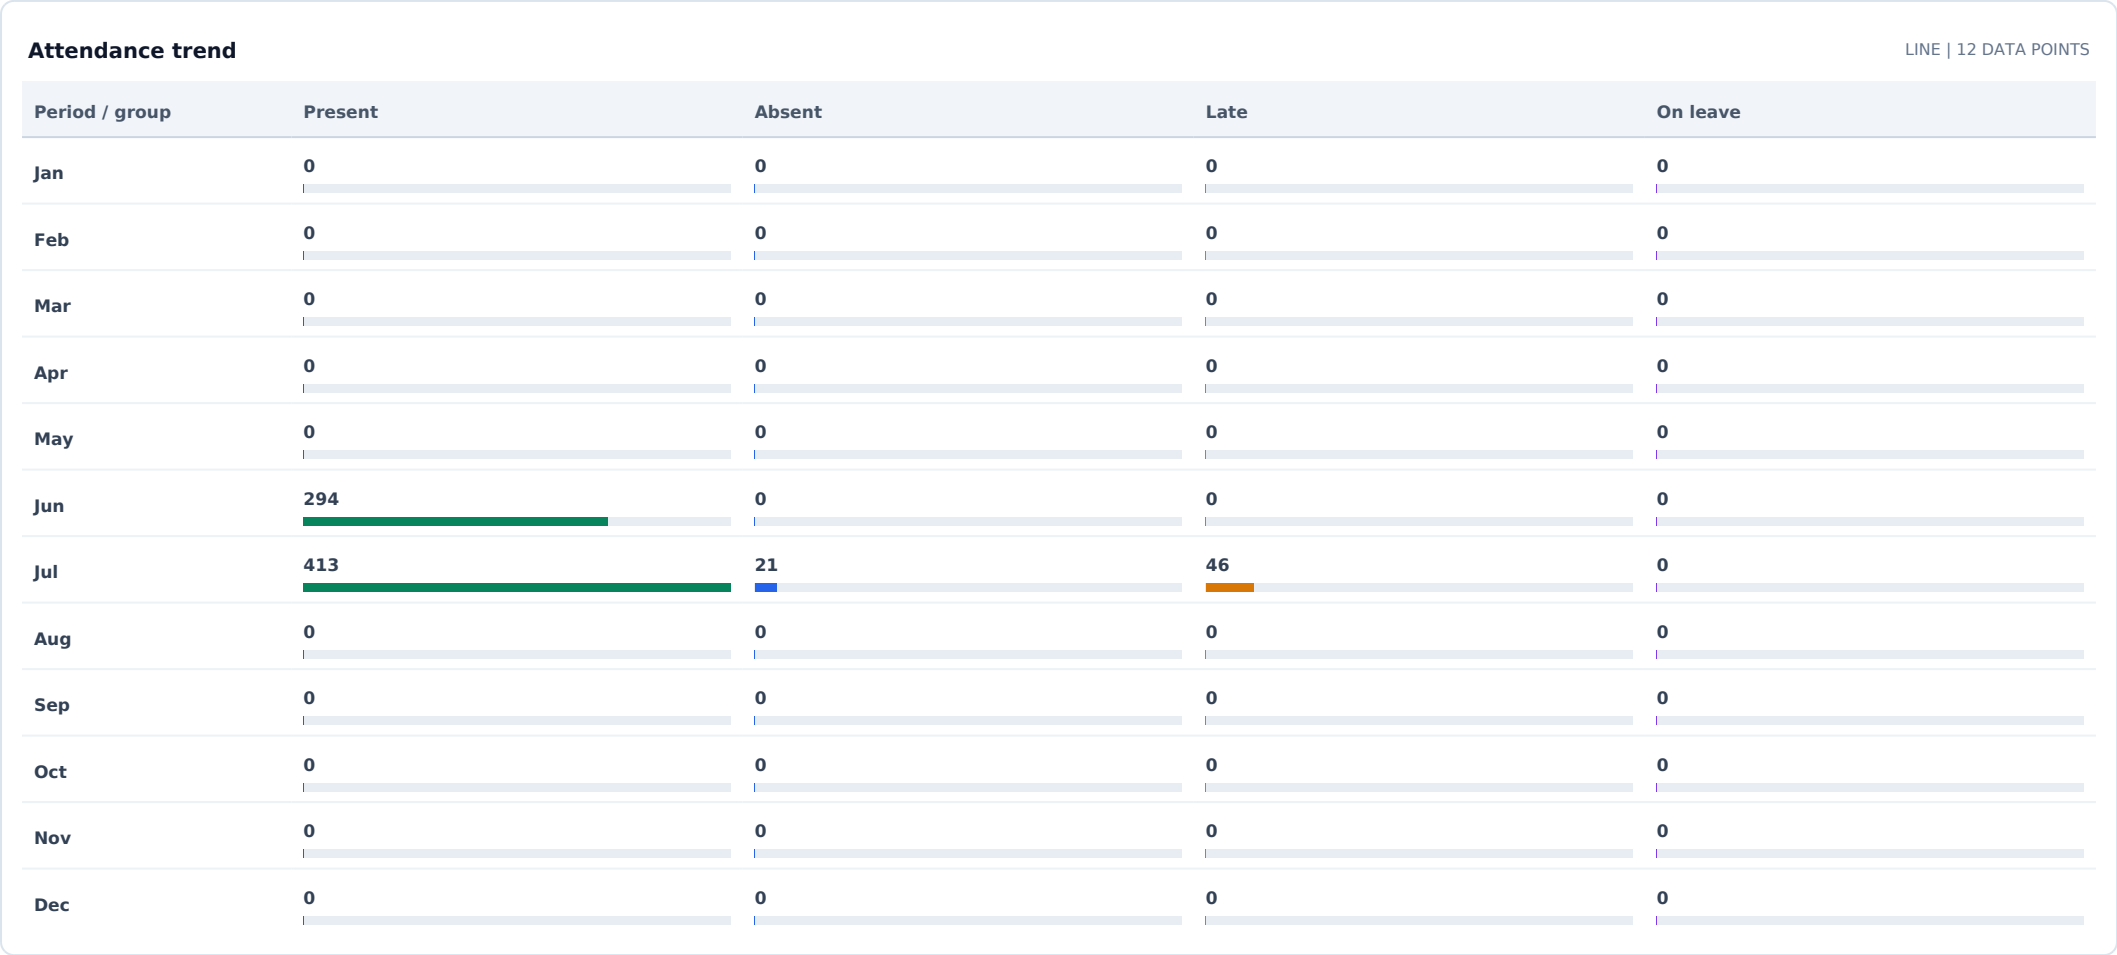

Late minutes

26 hrs 50 min

Report contents: 4 key indicators, 2 visual analyses, and 28 matching underlying records. Detailed analysis continues on the next page.

Trends and breakdowns

Compact visual analysis of changes and distributions in the selected scope.

Attendance by department
